

# How Do You See People?

Ancient City Baptist Church—Fred O. Pitts  
Sunday Morning, June 18, 2023

## ***John 9.1-12***

Here we see yet another miracle performed by Jesus. Arising from it is a great question we need to consider: *Do we see people the way Jesus sees them?*

**Some see people as \_\_\_\_\_**

*Why was this man born blind?*

☐ His \_\_\_\_\_ sin?

☐ His \_\_\_\_\_ sin?

*Did they consider...*

☐ Sin \_\_\_\_\_?

**Jesus sees people as \_\_\_\_\_ for \_\_\_\_\_**

☐ “Neither”: *What this means*

☐ We must be about the \_\_\_\_\_!

*Two things to note...*

☐ The desire for \_\_\_\_\_

☐ The vision of the \_\_\_\_\_

***How well are you noticing the people around you? There are two ways of looking at others. Do you more often ask, “Why is he that way?” or “What can I do for her?”***

***“We must do the works of him who sent me while it is day.”***
